# WHAT IS NATIONAL DEFENCE ACADEMY

The National Defence Academy is located in khadakwasla, Pune, Maharashtra. It is the first Tri-service academy in the world. i.e The Indian Army, The Indian Navy and The Indian Air Force. The NDA is the joint defence service training institute of the Indian Armed Forces.

The National Defence Academy is an iconic institution and hallmark of global excellence in the sphere of military education. Attracting the best of youth from our nation and also from friendly foreign countries and transforming them into officers and gentlemen.

During the last seven decades of its glorious existence, the National Defence Academy has grown both in grace and grandeur and from its fortals have emerged "Leader of Men", who have demonstrated the essence of inter-services camaraderie and jointmanship thereby upholding the faith and vision of its founding fathers.

Apart from leaders of men, the alumni have proved to be great mountaineers, cosmonauts, sportsmen, researchers, creative writers, artists, corporate honchos and more recently, Olympic champions.

Their achievements are all pervading and showcased in every echelon of our Armed Forces and also in the civil society. The 'Cradle' has indeed rocked the nascent youth and groomed them into 'leader' who have live up to it's ethos : ( Service Before Self )

## LOVE OF OUR STUDENTS

I enjoyed being student in Defence Vidya. I feel so lucky to have such amazing teacher during my preparation. Faculty is well experienced and the study materials are up to the mark. Under the guidance of such great mentors I cleared my NDA written.

Thank God I joined Defence Vidya because initially I was not confident as I was an average student, But Defence Vidya made my CDS exam very easy. The major highlight which I felt really helpful was the weekly mock test and after the test teachers put an extra effort to evaluate the test paper and give tips to improve. I strongly believe that Defence Vidya is one of the best Defence Academy

Defence Vidya is the best institute for Defence aspirants. One thing about Defence Vidya is the behaviour of teachers like they are friendly and sensitive to student needs but on the other hand strict as well when needed. They helped me a lot in my whole journey.

I recently qualified NDA exa., I scored well only because of the effective teaching and guidance of the faculty members. I recommend this institute for the students who are looking for Defence Insitues

I am thankful to defence Vidya for guiding me to achienve my goal. THe teacher were always supportive and available to clear my doubts. The test papers were helpful in giving good insight. The small batch strength helped me to interact with my teachers and clear my doubts. I've already recommended this academy to my juniors

Studying at Defence Vidya was a great experience and it played a pivotal role in my selection. They gave us sample individual attention and developed a comfortable and accomodating atmosphere inside the classroom. Fixed faculty helped me build a proper student-teacher relationship. In this two year journey I never felt like I'm preparing for one of the toughest exam because of priceless efforts of teachers. I don't have enough vocabulary to thank you all.

An amazing institute for Defence aspirants. I had my best ever student-teacher interactions. Their backup against any problem provided me with confidence and motivation to chase my dream. I heartily thank the Defence Vidya team to give me the way to achieve my goal.

No matter how many attempts, the firm belief and individual guidance strategy in this institute is definitely worthy. It took me 3 attempts to clear this exam but the teacher were always there for me like a pillar. Teachers are excellent here, guiding at each step and I find this to be the best NDA and SSB coaching.
